

OEM Professional, High Quality Batteries

- Li-Polymer & Li-ion Batteries
 - Ni-MH Rechargeable & Ni-cd Batteries
 - Primary (Lithium), CRxx Types
 - Batteries for 3G Mobile Applications
 - Sealed Lead Acid Rechargeable Batteries
 - Alkaline & Battery Packs
-
- Standard & Custom Batteries per spec
 - UL & CE Certifications
 - Full Technical Support

Competitive prices for applications including:

Security, Medical, Industrial
Communication, Military etc.

- Ultra-thin Cells
- Lithium Thionyl Chloride (LiSOCl₂) Batteries
- Lithium Manganese (LiMnO₂) Batteries
- Lithium Sulfur Dioxide (Li/SO₂) Batteries
- Lithium ion Polymer Batteries
