Design & Manufacture a Full Line of RF & Microwave Filters, Duplexers & Sub Assemblies.

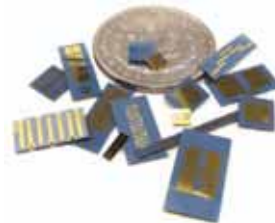

- Filters: Bandpass, Lowpass, Highpass, Notch
- Diplexer/Duplexer
- Multiplexer
- Switched Filter Bank
- Digitally-Controlled Tunable Filters
- Low PIM Solutions

www.dowkey.com

Worlds Largest Manufacturer of RF Switches.

- Coaxial, Waveguide Switches
- Space Qualified Switches
- RF Matrices
- Fiber Optic Matrices
- PXI Modules
- Programmable Attenuators

www.dilabs.com

Global Supplier of Microwave & Millimeter Wave Components.

- High Q Single & Multilayer Capacitors
- Resonators, Filters, Broadband DC Blocks
- Thin Film Components – Filters & Resonators
- Custom Ceramic Components

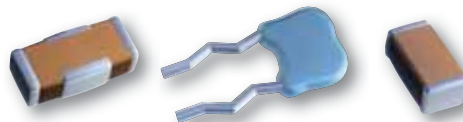

www.syfer.com

Global Source for Application Specific Multilayer Ceramic Capacitors and EMI Suppression Filters.

- Multilayer Ceramic Capacitors (0603-8060 size)
- High Voltage SM Capacitors (16v-12kv)
- Surface Mount EMI/RFI Filters
- Panel Mount EMI Filters
- X2Y Capacitors/Filters
- Planar Arrays/Discoirdals
- Hermetically Sealed EMI Filters
- EMI Power Filter
- FlexiCap

Capacitors for Avionics/Medical/Military & Power Convertors

- Multilayer Ceramic Capacitors (0402-7565 size)
- SMT High Voltage Chip Capacitors (6.4v-20kv)
- Cap Arrays & Stacks
- Pulsed Power Capacitors/High Energy Density
- High Temperature, Hi-Rel Capacitors
- Capacitor Assemblies
- Cap Arrays & Stacks
- DSCC Approved
